I have read the above information carefully and have filled out this application honestly. I understand that omission of information and / or failure to answer all questions and sign the application can result in this application being declined or delayed. Also, if an omission or untruth is discovered after an adoption takes place, I understand that RescueMe. RescuedMe. reserves the right to annul the adoption and reclaim the animal. I give RescueMe. RescuedMe. permission to fully investigate the information provided as well as contact veterinarians and related officials. If the application passes this review, I agree to a home and yard visit on a mutually agreed date by a RescueMe. RescuedMe. volunteer before an adoption decision is made. In addition, I understand the adoption decision is dependent on many factors, including but not limited to the compatibility of the family and home to the individual animal, and other applications received on this animal. I understand it is RescueMe. RescuedMe.'s prerogative to decide which home is most appropriate and that their decision is final, and therefore I will not argue with the decision. Unless otherwise indicated by RescueMe. RescuedMe. I will apply and undergo the application process in the future.

Further, I agree that if an adoption is approved, and the adopted animal was too young to be spayed or neutered prior to adoption, I will have the animal neutered and provide RescueMe. RescuedMe. with documentation stating such. I also agree that should any problems arise with the animal adopted, I will return the animal to RescueMe. RescuedMe. And will NOT take the animal to a shelter or re-sell said animal. If I decide to rehome this animal without prior approval of RescueMe RescuedMe I agree to pay a penalty of no less than \$500 and any court costs incurred by the rescue or its officers to regain custody of the animal in question. Return of an animal does not preclude a future adoption and adoption donation are non refundable and non transferrable. It is the desire of RescueMe. RescuedMe. to ensure that every animal placed in an adopted home is compatible with the entire family.
